Tuition Waiver

Tuition waiver is applicable only to full-time non-classified employees of the Council on Postsecondary Education. Waiver of fees shall be limited strictly to tuition. The individual must pay for all other fees, books, supplies, travel, and other expenses. The level of eligibility for members of the bargaining unit shall be unrestricted.

Tuition waiver only applies to institutions under the jurisdiction of the Council on Postsecondary Education. This waiver applies to the employee's spouse or domestic partner, as defined in RIGL §36-12-1, and dependent children, as defined below, who are pursuing courses in a regular study program for credit at the first baccalaureate level only at any institution, and who are taking courses at one of the three institutions under the Council of Postsecondary Education's jurisdiction. In the event of an employee's death, the tuition waiver benefit shall be provided for those spouses or domestic partners, as defined in RIGL §36-12-1, and dependent children, as defined below, who have been accepted or are enrolled at the time of such death and who maintain continuous enrollment. For purposes of this policy, "dependent children" is intended to refer to a child, as defined in Internal Revenue Code §§ 117(d), 132(h), and 152(f)(1), of the eligible employee, for whom the eligible employee is entitled to claim and does claim a dependency deduction on their federal personal income tax return under Internal Revenue Code Section 152, including Section 152(e), or both of whose parents are deceased and who has not attained age 25.

An employee must provide evidence of marriage, domestic partnership, or dependency in order to receive a tuition waiver hereunder.

However, pursuant to RIGL §16-97.7 no eligible employee of the Council on Postsecondary Education, his or her spouse, domestic partner or dependent

children, shall receive a tuition waiver as a result of employment status with the Council on Postsecondary Education, without first consenting to the public disclosure of the existence and amount of the waiver. This applies to any waiver at the Community College of Rhode Island, Rhode Island College, and/or the University of Rhode Island.

To be eligible to receive a tuition waiver for any semester or session at an institution under the Council's jurisdiction, an employee of the Council on Postsecondary Education must be a full time employee on the date of the first day of classes for that semester or session.

If an employee is an otherwise "eligible employee" but is on leave without pay, neither the employee nor his or her spouse or domestic partner, as defined in RIGL §36-12-1, or dependent children are eligible for tuition waiver unless specifically approved by the institution.

Tuition waivers are not applicable to non-credit courses.

ARTICLE VII

SENIORITY AND LAYOFFS

- 7.1 It is hereby agreed that the parties hereto recognize and accept the principle of seniority. Seniority shall be defined as the length of service of a bargaining unit member within the non-classified staff service at the Community College of Rhode Island. Said length of service shall determine the seniority of the staff member.
- 7.2 The principle of seniority shall apply in cases of days off, vacation time and holiday time at the department level.
- 7.3.a The principle of seniority shall apply to layoffs, recalls and reductions in force, as described below, provided the staff member(s) retained possess(es) the qualifications and experience to perform the work in accordance with the official job description.

- 7.3.b Any member who is to be laid off is eligible to replace any other staff member in an equal or lower pay grade in the bargaining unit over whom the staff member has seniority, provided that the staff member exercising seniority has the qualifications and experience, as determined by the Administration, to perform work in accordance with the official job description.
- 7.3.c If there is a vacant bargaining unit position which has not reached the final stages of the search procedure (which shall be defined as the point when the Search or Screening Committee has completed its duties as charged) within a pay grade into which the staff member to be laid off, other than one described in 7.3.d., is eligible to exercise his/her bumping rights, the staff member will be placed in the vacancy prior to exercising his/her bumping rights provided that the staff member exercising seniority has the qualifications and experience, as determined by the Administration, to perform the work in accordance with the official job description. The staff member will retain all rights under Article 7.8.
- 7.3.d 1. In the event of layoff, members of the bargaining unit whose positions are supported primarily by grant funds, federal grants or other outside funds and who have been employed at the College at least ten (10) consecutive years shall be eligible to bump/displace the least senior bargaining unit members whose positions are supported primarily by grant funds, federal funds or other outside funds, at an equal or lower pay grade, for which they meet the qualifications and experience, as determined by the Administration, to perform work in accordance with the official job description. In accordance with Article 7.9, bargaining unit members who are designated to be bumped shall be given twenty (20) working days' notice concurrent with the layoff notice. If there is reasonable written assurance that funding for those positions may be restored within thirty (30) days of the grant's termination date, those affected employees may choose to discharge vacation or personal leave,

or be placed on leave without pay. In such cases, the College shall hold all remaining accumulated leave. Bargaining unit members shall remain in those positions until the grant status has been finalized. Actual layoff and bumping will be held in abeyance until actual grant status has been determined. If at the end of thirty (30) days, the funding has not been restored, bargaining unit members will exercise their bumping rights, and the employees designated to be bumped shall be terminated. If before the end of the thirty-day period, notification is received that the grant has not been renewed, the bumping process shall be finalized at that time.

7.3.d 2. If there is a vacant bargaining unit position which is supported primarily by grant funds, federal funds or other outside funds which has not reached the final stages of the search procedure (which shall be defined as the point when the Search or Screening Committee has completed its duties as charged) within a pay grade into which the staff member described in 7.3.d.1 to be laid off is eligible to exercise his/her bumping rights, the staff member will be placed in the vacancy prior to exercising his/her bumping rights provided that the staff member exercising seniority has the qualifications and experience, as determined by the Administration, to perform the work in accordance with the official job description. The staff member will retain all rights under Article 7.8.

7.3.e Any staff member of CCRIPSA whose present position is not covered by 7.3.d may apply for or be offered a position covered by Article 7.3.d. Such staff member shall continue to accrue seniority while working in the position, according to Article 7.1.

7.3.f Any staff member who bumps into a lower pay grade shall retain his/her current salary unless it is above the maximum for the new (result of the bump) pay grade. In the event that the staff member's salary is above the maximum of the new pay grade,

the staff member shall be appointed at the maximum of the new (result of the bump) pay grade.

7.4 In determining seniority, the staff member's first date of hire shall prevail as applicable, unless seniority has been broken.

7.5 The Administration shall prepare and forward to the President of CCRIPSA, a seniority list of all staff members. A revised seniority list shall be furnished to CCRIPSA every six (6) months if so requested.

7.6 **Seniority For Probationary Staff Members**

New staff members shall be considered as probationary members for the first twelve (12) months of their continuous employment in the non-classified service at the Community College of Rhode Island.

7.7 **Loss of Seniority**

A staff member shall lose his/her seniority for the following reasons:

- a. Voluntary resignation;
- b. Termination not reversed through the grievance procedure;
- c. Retirement;
- d. When a staff member fails to notify the Departmental Director or appropriate supervisor of his/her absence from work within three (3) working days unless extenuating circumstances prohibit such notification;
- e. Failure to return to work within fifteen (15) working days after recall from layoff;
- f. When a staff member has been laid off in excess of two (2) consecutive years;
- g. When a staff member fails to renew a leave of absence;
- h. When a staff member engages in other work without authorization while on leave of absence.

- 7.8 Any staff member who is laid off or bumped into a lower pay grade shall have his/her name placed on the appropriate re-employment list for two (2) years from the date of layoff. Staff members shall retain their seniority while they remain on the re-employment list.
- 7.9 Staff members who are scheduled to be laid off shall be given twenty (20) working days' notice prior to such layoff. A copy of the layoff notice shall be sent to the President of CCRIPSA.
- 7.10 Recall will be in the order of seniority. Senior staff members who are recalled shall possess the qualifications and experience, as determined by the Administration, necessary to perform the available work in accordance with the official job description.
- 7.11 Notice of recall shall be sent certified mail to the last known address of the staff member, with a copy to the President of CCRIPSA, at least fifteen (15) working days prior to the date of recall. Failure to report will be considered a resignation.
- 7.12 Prior to the implementation of any reduction in force among staff members in the bargaining unit, the President shall consult with the President of CCRIPSA relative to the proposed layoffs. It shall be declared the objective of this consultation to minimize the adverse effects of the layoff or reduction in force. The President of CCRIPSA shall be entitled to make his views and recommendations concerning the implementation of the layoff or reduction in force known to the President. To further minimize the adverse effects of any layoff or reduction in force upon staff members, the President shall make every effort to accomplish such reductions through attrition.
- 7.13 The determinations made by the Administration under Sections 7.3.b, c and d and Section 7.10, are subject to Article XV, Grievance Procedure, only up to 15.4, the level of the Commissioner.
- 7.14 **Grandfather Seniority Rights.** Employees employed as of July 1, 1981, and who served at CCRI in the classified or unclassified service who become non-

classified members of this bargaining unit, shall have their seniority calculated as total continuous service at the College, including classified, unclassified and non-classified, provided service has not been broken as defined in Article VII.

ARTICLE VIII OVERTIME

- 8.1 It is agreed that when it becomes necessary for the efficient conduct of the business of the College, an immediate supervisor may direct or authorize overtime work.
- 8.2 Overtime shall be defined as the required performance of work within an employee's classification in excess of the established work week. Overtime must be authorized in advance, except in an emergency situation, and a request must be completed and signed by the supervisor and the Vice President for Business Affairs, or his/her designee.
- 8.3 Employees in classifications that are covered by the Fair Labor Standards Act shall receive either paid overtime or compensatory time at time and one half for all hours worked in excess of 40, and compensatory time at one hour for each hour worked for hours between 36 and 40. Employees whose annual salary is less than \$30,635 shall receive paid overtime for hours worked in excess of 35 hours per week.
- 8.4 Employees in classifications that are exempt from the Fair Labor Standards Act shall receive compensatory time at the rate of one hour for each hour worked in excess of 35 hours per week. All employees shall expend earned compensatory time according to a schedule which shall be prescribed by the department head and/or Vice President, if possible at the time that overtime is required. Normally, compensatory time shall be expended, according to this schedule, within twenty (20) work days of when it is earned, and in no event beyond three (3) months of when it was earned. If, however, an employee is denied opportunity to expend this

compensatory time throughout the three (3) month period, he/she shall refer the matter to the Vice President for Business Affairs or his designee who shall, within fifteen (15) days, at his sole discretion, either order the payment of the compensatory time which has accrued within the previous three (3) month period, prescribe a schedule of no more than six (6) months over which said compensatory time shall be expended, or combination of both. If, during this six (6) month period, the employee's service is terminated by death, resignation, retirement (mandatory, voluntary, or involuntary), and the employee shall not have fully expended the compensatory time accrued within this three (3) month period, the employee or his estate shall be paid for the unexpended balance of this compensatory time.

- 8.5 In cases of emergency where overtime work could not have been authorized in advance, then upon verification of such facts by the employee to his or her department head and appropriate Vice President, such overtime shall be recognized.
- 8.6 Whenever staff members are eligible for overtime pay as specified in 8.3, they may exercise the option of taking all or any part of their overtime allotment as compensatory time at time and one-half, with the approval of the Vice President for Business Affairs.
- 8.7 Whenever a staff member is required to work on a holiday which falls on his/her regularly scheduled work day, he/she shall be credited with the number of hours in his/her official work schedule for that day plus the number of hours actually worked at the rate of time and one-half.
- 8.8 Overtime is to be made a matter of record and distributed fairly and equitably, on a rotating basis, amongst staff members capable of performing the work in their respective class of position within a department at the campus at which they are employed. If this generates no employee at the campus that is available to work then the College may offer the overtime across campuses by seniority and classification. If this still generates no

employee the College shall be entitled to direct and require the most junior employee within the classification and the campus from which the overtime work originated, to perform the work.

- 8.9 Hours credited for holidays, sick leave, vacation, compensatory time and compensable injury shall be considered as time worked for the purpose of computing overtime.

**LETTER OF UNDERSTANDING #1
BETWEEN THE CCRIPSA/NEARI/NEA
AND THE
COUNCIL ON POSTSECONDARY EDUCATION**

During the term of the 2015-2018 contract, the parties agree that there may be situations in which the position audit recommendation of the Personnel Department, described in Article X, Appeal Process, states that the bargaining unit member has been assigned significant and permanent responsibilities for an increased workload beyond his/her current job description, but which do not warrant a pay grade increase. For responsibilities to be deemed significant, the new duties must be considered essential duties, must collectively account for at least 20% of the employee's workload and must have required the acquisition of additional knowledge, skills, and abilities on the part of the employee. In such cases, the Director of Personnel may recommend to the appropriate Vice President a 4% increase to the staff member's annual base salary. The final decision regarding the granting of such an increase shall rest with the Vice President for Business Affairs and shall not be grievable.

**LETTER OF UNDERSTANDING #2
BETWEEN THE CCRIPSA/NEARI/NEA
AND THE
COUNCIL ON POSTSECONDARY EDUCATION**

For the term of the 2015-2018 contract, in order to recognize and reward members of the bargaining unit for outstanding performance or the completion of the College's Leadership Development Program, the Community College agrees to establish a special project bonus pool in the amount of \$23,184 for each year of the agreement. Members will be eligible to receive a one time, lump sum bonus, not accruing to their salary base, in the amounts listed below and paid out in the year for which the award is approved.

\$500.00
\$1000.00

The CCRIPSA member will develop and submit a project proposal to his/her department director/chairperson. The department director/chairperson and the divisional Vice President will review each proposal and determine those for which they recommend approval and those for which approval is not recommended. All of the recommendations will then be submitted for approval to a committee composed of the three divisional Vice Presidents or their designees and two (2) members of the CCRIPSA. At that time, the Committee will also assign one of the above bonus increment amounts to each approved proposal. Upon completion of the project as approved, the bargaining unit member will submit the appropriate documentation of that fact to the above Committee for final approval of a project bonus increment.

The submission of project proposals to the above Committee shall be no later than December 1 of each year of the contract. The Committee will make its decisions regarding initial approval of the projects by December 31 of each year of the current contract. Should there be an insufficient number of proposals submitted by the established deadline to ensure distribution of the entire sum of money available, late submissions may be considered. The project bonuses will be distributed prior to June 30th of each year of the Agreement. The decisions of the above committee concerning the approval of projects and the award of project bonuses shall not be grievable. Members of the bargaining unit supported by federal or other grant funds will be eligible to receive the lump sum merit increase where federal or other grant funds are available. If funds are not available within College grant funds to support

the lump sum merit increase, CCRIPSA members supported by federal or other grant funds shall still be eligible to receive the lump sum merit increase.

Each project must be submitted in writing by the above deadlines. A project should be designed to allow its completion by the last day of May of the fiscal year in which it was begun. Members should design projects which will accomplish a task or goal that is of benefit to the incumbent's department or to the College in general. The project cannot be one of the incumbent's normally assigned responsibilities. The time needed to work on the project is not subject to the Overtime or Leave clauses contained within the bargaining unit agreement.

This memorandum expires June 30, 2018.

MEMORANDUM OF AGREEMENT #4

SICK LEAVE BANK

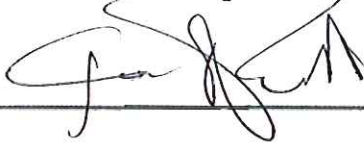

A Sick Leave Bank Committee will be established to administer a Sick Leave Bank in cases of an employee's catastrophic illness or injury and make a determination for approved use of the Bank.

- The Committee will be composed of two (2) PSA members, two (2) administrators and a fifth member selected by the other four (4) members. The Committee shall establish rules and procedures used by employees who have contributed to the Sick Leave Bank. The decision of the Committee shall be final and shall not be subject to the grievance and arbitration provisions of the respective bargaining unit agreements.
- PSA members who want to participate may contribute a day at the beginning of each calendar year. Those who did not contribute may not access the bank. Donations not used by the end of the calendar year are rolled over to the next year, but that rollover shall not exceed a two (2) year accumulation of donations.
- If additional time is needed for a bank, only employees who have already donated that year may donate an additional day(s).
- Requests to use the bank accompanied by medical documentation (including diagnosis, prognosis and perceived length of disability) are reviewed and approved by the committee after ascertaining that (1) there has not been sick leave abuse by the employee; (s) the employee has exhausted all his/her accrued leave. Prior to approving access to a Sick Leave Bank, the Committee may require the employee to (1) permit a College-paid physician to contact the employee's physician to validate that the illness/injury meets the definition for eligibility; or (2) make and attend an appointment with a physician of the College's choosing at the College's expense.
- Access to the bank is limited to cases of an employee's catastrophic illness or injury. No requests will be considered for illness/injury of family members.
- The Committee may grant up to the number of hours from the sick leave bank that are needed by the employee either to return to work or to become eligible for coverage by the College's Total Disability Plan, i.e., 6 months of absence. When medically eligible, the employee is required to apply

for Total Disability benefits. Failure to apply for this coverage will cause immediate cessation of the Sick Leave Bank. Once disability is approved, access to the bank terminates. Under no circumstances will a Sick Leave Bank be extended for longer than 6 months (13 pay periods).

- No full or part-time work and simultaneous use of bank is allowed.
- No one may use a bank for a reoccurrence of an illness/injury.
- Once the Committee has approved a Sick Leave Bank, the employee shall, upon request by the Director of Personnel, provide periodic documentation from the attending physician of the employee's compliance with prescribed treatment. Failure to provide the required documentation and/or failure to comply with prescribed treatment will cause immediate revocation of access to the Sick Leave Bank.
