

Clinical Laboratory Technology Associate Degree Program

Program start date: Fall • Day program

Flanagan Campus • Applications for Fall 2014-16 • CLAB

Admissions Guidelines

Minimum requirements to apply to the Clinical Laboratory Technology program:

1. **CCRI application** – Complete and submit a CCRI Application for Enrollment. General Studies should be first choice; CLAB should be second choice.
2. **High school transcript** – Send an official copy of a high school transcript or GED, including date of graduation must be provided. If the applicant holds a baccalaureate degree from an accredited college/university, the high school transcript may be waived; college transcript must indicate completion and degree awarded.
3. **Placement testing** – Complete a standardized test (ACCUPLACER) issued by CCRI's Department of Advising and Counseling. Students may NOT retake the ACCUPLACER test before completing the remedial course/courses.
Reading comprehension test must show competency of 80 or above or students must complete ENGL 0890: Critical Reading with a grade of "B-" or better. ENGL 1300 will not substitute for ENGL 1010.
4. **Complete courses required for admission with a grade of "C" or better:**
BIOL 1002: Introduction to Biology: Cellular
5. **Aptitude Examination** – Take the PSB Health Occupations Aptitude Examination administered through Advising and Counseling. The exam may be taken no more than three times (see psbttests.com.)
6. **GPA** – A cumulative grade point average of 2.0 or better for all college courses
7. **Health Sciences application** – Complete and submit a performance-based Health Sciences application including a preadmission degree evaluation during the open enrollment period.

Submission of a performance-based Health Sciences application does not guarantee acceptance to the program. Acceptance is based on points earned as listed in the program acceptance criteria point system (see reverse or www.ccri.edu/dean-hrs). At the time of admission, students must meet the current admission requirements. Students declining acceptance into the program for the semester offered must resubmit a performance-based Health Sciences application and meet the current admission requirements. Once accepted, students must attend a mandatory orientation conducted by the Allied Health Department.

8. **Background Check** – Students are required to submit a background check when directed by notification from Enrollment Services.

Policies for the Clinical Laboratory Technology program after acceptance:

- Applicants must have a physical examination and the required immunizations completed prior to completion of MLTC 1120: Clinical Immunology.
- Students also must have a current CPR card (American Heart Association, Health Care Provider level) obtained through an AHA recognized community training center (Course is also available at CCRI – HEAL 0200) must be documented prior to the completion of MLTC 1120: Clinical Immunology.

Please note: Requirements are subject to change.

Admissions guidelines
Rev. 12/2013

COMMUNITY COLLEGE OF RHODE ISLAND

CLAB Program Acceptance Criteria Point System

The performance-based acceptance process is based on the performance indicators identified for the Clinical Laboratory Technology program. A point system, based on the admissions guidelines, has been assigned to the performance criteria.

The criteria for the incoming Fall 2014 class will include:

- Grades in BIOL 1002
- ACCUPLACER reading score/degree completion
- PSB Health Occupations Aptitude Test (academic aptitude)
- PSB Health Occupations Aptitude Test (information in the Natural Sciences)

1. Grades in the following prerequisite admission courses using the scale below:

A = 40 points B+ = 30 points C+ = 15 points

A- = 35 points B = 25 points C = 10 points

 B- = 20 points

Grade in BIOL 1002

Maximum points = 40

2. ACCUPLACER reading comprehension test score

ACCUPLACER score of 90 or better 10

or

A bachelor's degree 10

or

A grade of "A" in ENGL 0890 10

ACCUPLACER test may be taken no more than three times.

Maximum points = 10

3. PSB Health Occupations Aptitude Exam (Academic Aptitude total)

Percentile score X .25

Example: 72 percentile score X .25 = 18

Maximum points = 25

4. PSB Health Occupations Aptitude Exam (Information in the Natural Sciences)

Percentile score X .05

Example: 85 percentile score X .05 = 4.25

Maximum points = 5

PSB aptitude test may be taken no more than three times.

Maximum Point Total = 80

Tie breaker: Earliest completion date of preadmission course.

Credits granted through AP, CLEP, challenge exams or assessment of prior learning will be recognized as satisfying course requirements and will be assigned points equivalent to a grade of "B".

*****A student with a baccalaureate degree or higher may still be required to complete an ACCUPLACER Test depending on the prerequisites for individual general education courses.*****

Please review the Department of Health website at www.health.ri.gov/licenses/healthcare/index.php to learn about licensing requirements for the health sciences professions.

Please Note: A Social Security number is required to begin the licensing process for the health sciences professions.
