Phlebotomy Certificate Program

Program start date: Fall • Evening program - Flanagan Campus
Program start date: Fall and Spring • Day program - Liston Campus

Applications for Fall 2014-16 • PHLE

Admissions Guidelines

Minimum requirements to apply to the Phlebotomy Certificate program:

1. **CCRI application** – Complete and submit a CCRI Application for Enrollment. General Studies should be first choice; PHLE should be second choice.

2. **High school transcript** – Send an official copy of a high school transcript or GED, including date of graduation must be provided. If the applicant holds a baccalaureate degree from an accredited college/university, the high school transcript may be waived; college transcript must indicate completion and degree awarded.

3. **Placement testing** – Complete a standardized test (ACCUPLACER) issued by CCRI’s Department of Advising and Counseling. Students may NOT retake the ACCUPLACER test before completing the remedial course/courses. **Reading comprehension test** must show competency of 80 or above or students must complete ENGL 0890: Critical Reading with a grade of “B-” or better. ENGL 1300 will not substitute for ENGL 1010.

4. **Health Sciences application** – Complete and submit a performance-based Health Sciences application including a preadmission degree evaluation during the open enrollment period.

5. **Background Check** – Students are required to submit a background check when directed by notification from Enrollment Services.

**Policies for the Phlebotomy program after acceptance:**
- Applicants must have a physical examination and the required immunizations completed prior to the beginning of PHLE 1020. Failure to do so will result in program dismissal.
- Students also must have a current CPR card (American Heart Association, Health Care Provider level) obtained through an AHA recognized community training center (Course is also available at CCRI–HEAL 0200.)

**Please note:** Requirements are subject to change. Most students in the Phlebotomy certificate program attend classes full time. Therefore, the “normal” time to complete this certificate would be two (2) semesters (or 12 months). For more information about our graduation rates for this program, the median debt of students who completed this program and other important gainful employment information, please visit www.ccri.edu/acadaffairs/gainful-employment/hrs/allied-health/phlebotomy-cert.html.

- Office of Enrollment Services, Knight Campus: Lilliam Abreu, 401-333-7172, ldabreu@ccri.edu
- If more specific information is needed, contact Debra St. Pierre, Phlebotomy program director, at 401-333-7009 or djstpierre@ccri.edu.
PHLE Program Acceptance Sort Order

Applicants to the Phlebotomy program will be offered acceptance in order based on the following criteria.

1. Successful completion of an baccalaureate degree or higher
2. ACCUPLACER reading score or grade in ENGL 0890
3. Earliest date of application. (February applicants admitted first)

Please review the Department of Health website at www.health.ri.gov/licenses/healthcare/index.php to learn about licensing requirements for the health sciences professions.

Please Note: A Social Security number is required to begin the licensing process for the health sciences professions.
