- Develop and modify technical documentation to support application maintenance, operations and end-user training.
- Provide training and support for information systems to faculty, staff, and students.
- Additional responsibilities as directed by the supervisor consistent with rank and position.
- Work with programmers and other team members to test applications.
- Work with Business users to provide solutions and to complete requests
- Provide technical assistance to user areas
- Demonstrate a commitment to the philosophy and mission of a comprehensive community college.

OTHER DUTIES AND RESPONSIBILITIES:

- Perform all duties and responsibilities with minimal supervision.
- Perform duties of Programmer Analyst as required.
- Respond to technical emergencies outside of normal working hours as needed.
- Keep up with changes in software development tools and techniques, programming languages, web development, and vendor supplied information systems for higher education.
- Work collaboratively with others and provide quality customer service in a diverse and inclusive environment.

LICENSES, TOOLS AND EQUIPMENT:

Computers and peripheral devices, such as printers and scanners.

Knight Campus

ENVIRONMENTAL CONDITIONS:

This position is not substantially exposed to adverse environmental conditions.

QUALIFICATIONS:

- Bachelor's Degree is required; OR an Associate's Degree plus four (4) years of relevant programming experience is required; OR an Information Systems Certified Professional plus eight (8) years of relevant programming experience is required.
- A minimum of three (3) years of application development experience; working on complex applications in a higher education environment is preferred.
- Demonstrated ability to communicate effectively with people of varying degrees of technical ability is required.
- Demonstrated ability to communicate effectively and collegially with colleagues is required.
- Demonstrated logical, analytical, and problem-solving skills are required.
- Demonstrated capacity for self-directed learning is required.
- Excellent organizational and communication skills are required.
- Ability to supervise and manage others productively.
- Ability to work independently on multiple assignments and to work collaboratively within a team is required.
- Experience with Ellucian Banner ERP software (Finance, Financial Aid, Student or Human Resources) is preferred.
- Experience with data warehouse technologies is preferred
- Experience with PL/SQL is required.

CCRI Mission:

The Community College of Rhode Island is the state's only public comprehensive associate degree-granting institution. We provide affordable open access to higher education at locations throughout the state. Our primary mission is to offer recent high school graduates and returning adults the opportunity to acquire the knowledge and skills necessary for intellectual, professional and personal growth through an array of academic, career and lifelong learning programs. We meet the wide-ranging educational needs of our diverse student population, building on our rich tradition of excellence in teaching and our dedication to all students with the ability and motivation to succeed. We set high academic standards necessary for transfer and career success, champion diversity, respond to community needs, and contribute to our state's economic development and the region's workforce.

CCRI is an Equal Opportunity / Affirmative Action Employer.

CCRI recognizes that diversity and inclusivity are essential to creating a dynamic, positive and high-performing educational and work environment and to helping prepare our students for lifelong success. We welcome applicants who can contribute to the College's commitment to excellence created by diversity and inclusivity.

CCRI prohibits discrimination, including harassment and retaliation, on the basis of race, color, national or ethnic origin, gender, gender identity or expression, religion, disability, age, sexual orientation, genetic information, marital status, citizenship status or status as a protected veteran. Inquiries or complaints concerning discrimination shall be referred to the College's Director of Institutional Equity & Title IX Coordinator, Elizabeth Canning, ecanning@ccri.edu.

The Jeanne Clery Act requires institutions of higher education to disclose campus policy statements and crime statistics. Our annual report is available here: <http://ccri.edu/campuspolice/pdfs/ANNUAL-SECURITY-REPORT-FINAL.pdf>
