\$\$\$ Important Information regarding your VA Payment \$\$\$:

- ❖ The VA will only pay for courses that apply to a student’s certificate or degree program. Student Veterans should meet with one of the **Military Academic Advisors** to select their classes. There is a Military Advisor at each campus.
- ❖ The CCRI Certifying Official cannot certify students for courses that are not part of their program. This means the Tuition and Fees will not be paid for that course (under Ch 33) AND the student’s monthly stipend will be reduced (under all VA Education benefits).
- ❖ Certificate of Eligibility (COE) - CCRI requires an up-to-date COE be submitted to the Office of Enrollment Services. COE is the letter you receive from the VA indicating your entitlement to VA benefits.
- ❖ For additional information or questions regarding this form – please contact: micaela.black@va.gov or VA@ccri.edu

SIGNATURE Required: I attest the information above is true and accurate. I understand that I am responsible for any unpaid balance that the VA does not cover.
