

How to Register

There is a maximum enrollment number for each class and several classes do fill fast, so please don't wait until the last minute to register! CCRI will cancel courses that do not meet minimum enrollment. Any student affected by a cancellation will be notified and will be eligible to transfer to another available course or receive a full refund.

Students will receive an email notification confirming their registration within 2 days if a legible, valid email address is provided on the registration form. If you do not receive notification, you can call one of our offices to confirm your registration. It is necessary for you to provide all required information, except those fields noted as 'optional.'

Faxed Registration: Eligible students wishing to pay by credit card may fax a registration form to 401-333-7237.
