5. Select the "Term" from the drop-down menu (as shown in the image above)

## Student Schedule:

All course cancellations will be communicated to students via MyCCRI email.

Students are responsible for dropping all courses they are unable to attend. Please drop your classes through MyCCRI or in person. Tuition charges will be removed from your bill only if you drop your classes by the published drop deadline. Drop deadlines may vary by semester.

Schedules, grades, bills, degree evaluations, unofficial transcripts and more can be found online using the MyCCRI portal. Official transcripts can be obtained from Enrollment Services on any campus. Through this effort we hope to save on resource and energy consumption as the entire college seeks to be a more environmentally responsible member of our community.

Please print this schedule right before going to class to ensure that you have the most accurate information including the room, the instructor, the campus, the days and the times.

## Total Credit Hours: 3.000

Avoid the Dron for Non navment

6. On the next screen, you should see your current courses. If the evaluation for the course is available, there will be a "red" flag to the right of the instructor's name. Click on the "instructor's name" to open the student evaluation. Once the evaluation has been completed, the "red" flag will become a "checkmark."
