From the President...

Hello members,

I hope you all had some time off to enjoy the holiday season. I will try to keep this newsletter brief, as I know it is a busy month in all of our offices. However, the Executive Board wants you to know we are here for you! Please do not hesitate to contact any of us with questions and/or concerns. Have a wonderful start to the new school year!

Respectfully, Jude

Disability Services for Students is offering a free, semester-long hybrid professional development course addressing accessibility, disability, and culture to CCRI faculty and staff this spring.

This course will run from February to April, and will provide weekly online content and four Tuesday in-person sessions from 12–4 pm on Feb. 18, March 17, April 7 and April 21 at Knight Campus.

Participants who successfully complete the course will receive a certification in their personnel file and materials formally certifying them as A-TASC Force graduates. Recipients may submit the course for ongoing professional development credits from accrediting institutions.

Review the [syllabus](#), then [register](#) for the class! Feel free to email Kevin Novell at knovell@ccri.edu with any questions about the course.
