

**PSA Monthly
October 2020**

From the President...

Hello PSA Members,

Thank you for participating in our Annual Business Meeting & Election this month. We had an incredible turnout. I'd like to thank the entire election committee for all their hard work.

While we all know CCRI is facing many challenges, I truly believe PSA is poised to be part of the solution. I am incredibly proud of all the efforts made to help move the enrollment numbers from a potentially disastrous -30%, in the early summer, to just under 8% of the original goal, by the start of the late fall session.

As a group we need to find ways to retain, register and help graduate the students that have trusted us. I know we are up for this challenge! In the next few weeks winter & spring registration will open, let's work together to find creative ways to assist our students and remove hurdles that may come up. PSA plays a major role in the enrollment and retention process, let's do all that we can to hit the goals needed to keep CCRI running smoothly.

Respectfully, Jude
