

PSA Quarterly Summer 2021

From the President...

Hello PSA members,

The outstanding dedication and professionalism you have shown to the students, faculty and staff that you serve every day hasn't gone unnoticed, **THANK YOU!** We all know there have been many obstacles presented over the last 15+ months. However, you have met these challenges with expertise and persistence.

As we move into the next phase of our *new normal*, please know that PSA will continue to advocate for workplace transparency and health & safety for all that work and attend CCRI. PSA is dedicated to working with the administration on issues essential to our membership. We are also appreciative of the cooperative nature of CCRIFA & CCRIESPA, together we all have a vested interest in the success of our college!

In closing, please try to find time to enjoy the beautiful summer weather. If possible, take vacation time and recharge before the start of the fall term.

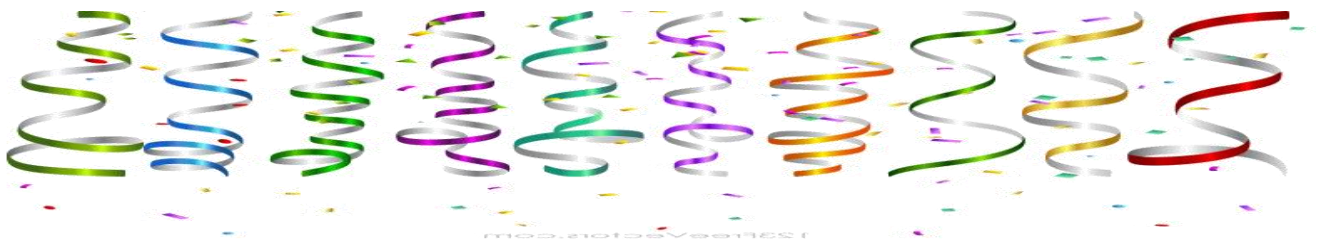

Respectfully, Jude

Collective Bargaining Agreement...

- Article VIII – A new electronic OT tracking sheet is available through your MyCCRI employee account. Always try to check with your manger before working OT. It cuts down on any confusion if the extra hours are questioned.
- Article IX – As we mark the midpoint of the year, please be mindful of the maximum carryover for leaves. Keep in mind that the one-time extension granted earlier this year won't apply at the end of 2021. Therefore, if you are in danger of loosing time, please work with your manger to use accumulated time.
- Article X – Those interested in exploring an upgrade, please be sure to contact Terri Ann Milligan in HR to get the proper paperwork.
- The Bargaining Committee appreciates all the feedback received from members to help us prepare for negotiations. When more information is available it will be presented to the membership.
