

PSA Quarterly Fall 2022

From the President...

Hello PSA members,

It is amazing how quickly the summer went by; I can't believe we are already starting a new academic year! As I mentioned during the *Opening Day* festivities, I am honored to represent our bargaining unit! I know how hard each division has worked to prepare for welcoming students and faculty back to our campuses. Thank you for your professionalism and commitment to the mission of CCRI.

Please know that your union representatives are here for you. We understand the unique challenges facing our members and will continue to work in your best interest. Additionally, we are a resource for all members that have questions, desire guidance or maybe just need to vent. Please don't ever hesitate to contact any Executive Board member for support.

I hope you all have a wonderful fall semester.

Respectfully, Jude

Thank You...

PSA helped to coordinate efforts to provide inner city elementary and middle school kids with school supplies that are critical to students' success.

Donations were given to children of families associated with the following agencies: Crossroads Rhode Island; Family Service of Rhode Island; Wiggin Village; Children's Friend; the Hispanic Ministerial Association of Rhode Island; Multi-Service Center for All; African Alliance; Mount Hope Neighborhood Association; Chad Brown Alumni Association; and the Center for Southeast Asians.
