From the President...

I want to thank everyone that was able to attend the OneCCRI event on April 5. This was an opportunity for us to learn, strengthen our relationships & look towards the future.

Your Executive Board is committed to working with President Hughes on CCRI's announced commitment to professional development, equity, & internal advancement.

These are essential to build community, workplace engagement, & professional growth.

Let us work together to build an improved CCRI!

Respectfully, Jude
