

## Laura Levine, LMHC, LCDP, LCDCS

Program Director  
CODAC Behavioral Healthcare

Laura Levine, has been working with co-occurring patients since 1988 when she received her M.Ed. In 1991 she received her C.A.G.S. from University of Massachusetts. She has worked in Massachusetts, Wisconsin and Rhode Island. She served as the senior counselor at CODAC Newport, opened an opiate treatment site in Wakefield Rhode Island, was the Program Director of CODAC East Bay, and is currently the Program Director of CODAC Eleanor Slater, a center of Excellence program with a focus on pain management for opiate addicted patients.
