## **Download and install Creative Cloud apps**

1. Sign in to the <u>Creative Cloud website</u> (https://creativecloud.adobe.com/apps/all/desktop) using your CCRI email account.

2. If prompted select **Company or School Account** and then enter your password.

3. To view all apps, click **Apps** on top of the page.

4. Click **Install** for the app you want to download. Then follow the onscreen instructions to complete the installation.
