

## **Network Competition**

**A Networking Competition will be held on Thursday March 1st at 3:00pm in room 2054 on CCRI's Warwick campus. This competition is open to all cybersecurity and networking students.**

**The focus of the competition will be: completing IP Addressing, Routing, Switching, and a Routing Protocol in a simulated network using Packet Tracer.**

**Students will have one hour (maximum) to complete the assigned tasks working in teams of two. Judging will be based on time and percentage of completion. Prizes will be awarded for the top three teams.**

**For additional information contact Professor Mowry  
([jmowry@ccri.edu](mailto:jmowry@ccri.edu))**
