

The Computer Studies Department and CCRI's Cybersecurity Club are sponsoring a Cybersecurity Lecture by Marco Garcia, the Director of Security Engineering and Dana Traversie, a threat prevention expert from Check Point Software on Wednesday, December 5th at 6:30pm in room 1040 at CCRI's Warwick Campus.

Following the lecture, faculty from CCRI's Cybersecurity Program and members of CCRI's Cybersecurity Club will be in attendance to answer questions about the degree program.

All Are Welcome
