

# The Cybersecurity Club

Newsletter for the week of March 19, 2018

By Gail Golomb, President

First, I'd like to begin by thanking our loyal members for sticking with the club despite the fact that we have not had the opportunity to go before the Student Senate for our official approval. I promise this will take place soon and then lots of good things will happen!! Before Spring break, Frank and I worked with the senate to edit the club's constitution. Things are looking really good, but these snow days haven't been helping. We are grateful for the help and support of the senate, especially Lex and Charles, and for the support and guidance of Dean Jenkins.

**Competition time!!** Did you attend movie night a few weeks back? If so, here's your chance to win a gift card. Answer the following questions and submit them to me [lgolomb@my.ccri.edu](mailto:lgolomb@my.ccri.edu). Write "Movie Quiz" in the subject line. To win, you must have attended the movie night, answer all the questions, submit them to me, and be present at the next meeting.

## QUIZ:

Question 1: Name three or more hacking tactics used in the movie.

Question 2: What's the favorite password used by the system operators (circa 1995)?

Question 3: What's the orange book and ugly red book about?

**JOIN US** for some very exciting stuff at our next meeting hosted by our own VP, Frank Giordano. Frank is a cyber enthusiast and has a wealth of knowledge on all kinds of super cool things and he is sharing some neat stuff with us for our next meeting. He will discuss competitions, opportunities, and share resources. Last semester Frank participated in the SANS competition and won a scholarship. Frank will talk to us about his experience with the SANS competition. If you're not familiar with

SANS I recommend that you look SANS up via youtube or google. Frank will be handing out a list of some very exciting cybersecurity opportunities. There will also be coffee and donuts.

**Next meeting: Thursday, March 29 at 10am 1128. RSVP to Briscoe @ [ccrisclubsecretary@gmail.com](mailto:ccrisclubsecretary@gmail.com). Do not miss this very informative Cyber Resource lecture by Frank! Room 1128 is located near the cafeteria.**

## Opportunity!

**\*\*\*time sensitive\*\*\***

NCL, National Cyber League is having a competition.

<https://www.nationalcyberleague.org/registration>

If you register by March 25<sup>th</sup>, the cost is only \$25!!

Registration available February 26 – March 25, 2018 (11:59 p.m. ET)

Late registration of \$35 is March 26 – March 28 (11:59 p.m. ET)

<https://www.nationalcyberleague.org>

**If you join this competition please reach out to me** ([lgolomb@my.ccri.edu](mailto:lgolomb@my.ccri.edu), NCL in subject line) as we may have enough people to form a team. This competition is different from SANS in that there many experience levels you can sign up for. Prof Kelly has volunteered to be our coach. This is a really good opportunity to get into the cyber trenches!!

Save the date!! Thursday, April 5<sup>th</sup> at 10 am (place tba) Briscoe Lang will present a lecture on Kali Linux as requested by club members.
