Cybersecurity Degree

CCRI to URI Transfer

CCRI General Education Requirements		URI Course	
ENGL-1010	Composition I	WRT-104 or WRT-106	Writing to Inform and Explain Introduction to Research Writing
MATH-1139	Mathematics for Liberal Arts	MTH-107	Introduction to Finite Mathematics
Humanities Elective		Depending on course taken	
Humanities Elective		Depending on course taken	
Social Science Elective		Depending on course taken	
Social Science Elective		Depending on course taken	
Math or Science Elective		Depending on course taken	

CCRI Major Requirements		URI Course	
CNVT-1810 COMI-2035	Networking 1 Introduction to Computer Forensics	CSF-202	Fundamentals for Cyber Security
CNVT-1820 CNVT-1830 CNVT-2200	Networking 2 Networking 3 Networking Security Hardware	CSF-432	Introduction to Network and Systems Security
COMI-1170	Scripting for System Administration	Free Elective	
COMI-1800	Computer Networking Software Linux	100 Level Elective	
COMI-2036	Introduction to Computer Ethics	CSC-320	Social Issues in Computing
COMI-2037	Foundations of Cybersecurity	CSF-3XX Elective	
COMI-2038	Ethical Hacking	CSF-3XX Elective	
COMP-1200	Database Design & Management	CSC 100 Level Elective	
COMP-2500	Cybersecurity Practicum/ Capstone Course	100 Level Elective	
CYBR-1100	Defending External Threats	100 Level Elective
