

SENEAIA is the lead for the Real Jobs Rhode Island Defense Industry Partnership grant to implement workforce development plans in Rhode Island in partnership with industry, academic and non-profit partners.

We are looking for individuals who are interested in working in the Rhode Island defense and non-defense sectors in IT/Cybersecurity, engineering, business support functions.

SENEAIA offers an exciting, hands-on, paid internship experience and direct placement into employment with some of Rhode Island's most innovative defense companies.

- Candidates will have the opportunity to participate in 1:1 resume coaching to align their prior experience with the current industry trends in some of the nation's most high-wage, high-growth, high-demand companies.
- Candidates also afforded the opportunity to take online trainings, paid for by SENEAIA with Real Jobs RI grant funds. Online courses include CompTIA Security+ training with one voucher to take Security+ exam leading to certification; Supply Chain Fundamentals; and Project Management Fundamentals.

Interested candidates, can email their resume to Cassandra Johns, Director of Education & Career Pathways, at cjohns@senedia.org.
