PREAMBLE

It is agreed that the purpose of this Agreement is to carry out the policy of the State and the Community College of Rhode Island by encouraging a more harmonious and cooperative relationship between the State, the College and its MBUs by providing for procedures which will facilitate the free and frequent communications between the State, the College and its MBUs.

No negotiated Settlement Agreements or Memorandums of Agreements entered into after the ratification of this Agreement will have precedential effect, amend this agreement, or provide for wage rate adjustments unless they are signed by the Director of Administration or their designee.

ARTICLE I RECOGNITION

The State hereby recognizes the Association as the sole and exclusive bargaining agent for all MBUs. The bargaining unit consists of those classes of position found appropriate as a result of the petition submitted in case number EE-3290.

The State agrees that no MBU shall be discriminated against, intimidated, or coerced in the exercise of their right to bargain collectively through the Association, or on account of their membership in or activities on behalf of the Association.

No person or persons represented by the exclusive negotiating agent shall bargain individually or collectively with the State concerning any terms or conditions of employment except through the authorized representatives of the CCRI/ESPA/NEA as provided in the State Labor Relations Act.

ARTICLE II NON-DISCRIMINATION CLAUSE

The State and the Association agree not to discriminate in any way against any member of the bargaining unit with respect to the provisions of this Agreement on account of race, religion, creed, color, national origin, sex, age, marital status, physical handicap, political beliefs or affiliation, sexual preference gender identity and expression, or membership in any lawful organization. All reference to MBUs in this Agreement includes all members.

The Association and the State shall not discriminate against, interfere with, restrain or coerce a MBU from exercising the right to join or not to join the Association and will not discriminate against the MBU in the administration of this Agreement because of membership or non-membership in the Association.

Nothing in this Agreement shall be construed so as to prevent compliance with any obligation imposed by the Americans with Disabilities Act of 1990.

The State and the Union agree to establish a committee consisting of representatives from both parties to explore affirmative employment action, and if possible, to enter into a letter of understanding.

In accordance with College policy, sexual harassment shall not be allowed and shall not be subject to the grievance and arbitration provisions of the Contract, but subject to grievance procedure contained within the College's Affirmative Action policies.

ARTICLE III DUES DEDUCTION AGENCY SHOP

Membership in any employee organization may be determined by each individual employee. MBUs shall pay dues as determined by the Union, provided, however, that all non-members of the exclusive representative organization shall pay to the exclusive organization a service charge as a contribution toward the negotiation and administration of any collective bargaining agreement in an amount as certified by the NEARI.

The State Controller shall, upon certification of the exclusive organization, deduct bi-weekly from said MBU's salary said amount and remit the same to the treasurer of the exclusive bargaining organization. The State will not deduct dues for membership in any other Union.

The State Controller shall forward all deductions covered by this Agreement to the Treasurer of ESPA/NEA on a bi-weekly basis.

The State recognizes the Union's ability to increase dues lawfully and in accordance with its Constitution and By-Laws, and upon written representation by the Union that dues have been lawfully increased and in accordance with its Constitution and By-Laws, the State agrees to adjust the amount of dues deduction accordingly, provided that such an adjustment is consistent with the authorization of the MBU that is required by law.

The appointing authority shall give written notice to the Treasurer and President of the Union of all new MBUs who become eligible for membership in the ESPA. Said notice shall be given monthly and shall include the MBU's name, address, social security number, date of hire, classification, work assignment and location.

The Union shall indemnify and save the State harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken or not-taken by the State in reliance upon the Union's representation that its dues have been lawfully increased and in accordance with the Union's Constitution and By-Laws or for the purpose of complying with any of the provisions of this Article.

The nine (9) month period for any of the MBUs serving in the assignment may be extended by mutual agreement of the parties. The vacancy created by the MBU on the 3-day rule assignment will not be required to be filled using a 3-day rule assignment.

If at the end of the 3-day rule assignment period the position the MBU is assigned to is not approved and funded, the assigned MBU will be returned to their original pre-3-day rule assignment. Such positions will not be filled with another three-day rule assignment.

- A. During the term of this Agreement, any MBU who believes their responsibilities more closely resemble the job description of another classified position rather than the one assigned; or any MBU whose duties have been significantly changed to reflect duties required of a higher classification, may appeal for reclassification or upgrading to that position in the following manner.
1. Make a request in writing for a desk audit to the Personnel Office of the College. The MBU shall be furnished with a questionnaire within five (5) working-days of said request.
 2. Within five (5) working days, upon receipt of the completed questionnaire, the MBU's immediate supervisor and Personnel Director shall forward said questionnaire to the State Division of Personnel, Classification Section, for the study.  4. If the appeal is granted, it shall be implemented in accordance with the provision of Merit System Law and Personnel Rule 2.013: "When an MBU holds permanent status or is serving a probationary period in a class of position and the position is reallocated to a different class of position, the Personnel Administrator may approve their employment in said different class of position with the status held in the former class if their name appears on a current list deemed appropriate by the Personnel Administrator, or if he passes a non-competitive examination of the same degree of difficulty as an open competitive examination for said different class of position; otherwise, the MBU may be employed in the said different class of position only with temporary status, subject to the provisions of the Act and Rules."

**ARTICLE X
OVERTIME, SHIFT DIFFERENTIAL AND CALL
IN TIME**

A. Overtime

1. Overtime shall be defined as the required performance of work within the MBU's classification in excess of the established work week.
2. Overtime shall be offered to MBUs on the basis of their seniority in their classification at the campus at which they are employed. If MBUs within that classification and campus do not volunteer to perform the overtime, it may be offered to bargaining members in that same classification, by seniority, on a rotating basis, at the other campus a MBU offered overtime will be excused at their request, provided other MBUs are available and willing to meet the need; and any: MBU so excused shall not be offered overtime work again, until name comes up again in the seniority rotation. In the event an insufficient number of MBUs within the classification at all campuses voluntarily accept the assignment, the College may direct and require MBUs within the classification and campus to perform the work when necessary for the efficient conduct of the business of the College. Such required overtime assignments shall be made in the reverse order of seniority on a rotating basis.
3. Overtime shall be authorized by a supervisor outside of the bargaining unit. However, MBUs shall be notified of overtime by their immediate supervisor.

4. Time and one-half shall be paid for work performed in excess of the established work week. However, in any event a MBU may elect to accrue compensatory time at one and one-half (1 ½) time, in lieu of cash. Such compensatory time shall be discharged, with the approval of a supervisor outside of the bargaining unit, within eighty (80) calendar days of time earned. If the MBU is not permitted to use compensatory time within eighty (80) calendar days, the college will pay the MBU for that time.
 5. Whenever a MBU is required to work on a holiday which falls on their regularly scheduled work day, they will be credited with the number of hours in their official schedule for that day plus the number of hours actually worked at the rate of time and one-half.
 6. Overtime work is to be made a matter of record and distributed on a seniority basis among MBU's within their respective classifications. An overtime list will be maintained and posted in each department on the department bulletin board.
 7. A record of overtime work will be furnished to the Association at the close of each pay period following a request from the Union.
 8. In the event that the Association has reason to believe that overtime is being unfairly and inequitably distributed within the bargaining unit, the Association may, upon request with reasonable notice, inspect records of overtime. Upon finding such inequities in granting overtime, the Association will file a group grievance.
 9. No MBU who has performed work before or after scheduled shift hours will have the right or will be required by the State, by reason thereof, to take time off to equalize their working hours.
 10. Hours credited for holidays shall be considered as time worked for the purpose of computing overtime.
- B. No MBU shall be required to work more than sixteen (16) consecutive hours except in a State emergency or when relief has been delayed. In cases where relief has been delayed, an MBU may work more than sixteen (16) consecutive hours, but not more than twenty (20) consecutive hours, unless it unduly disrupts operations. The responsibility for determining whether there would be a disruption of operations shall fall to the Associate Vice President for Administration. Upon completion of this extended overtime, the MBU will be given eight (8) hours off. If the eight (8) hours off overlaps the MBU 's regularly assigned shift, the MBU shall be placed on administrative leave with pay for the hours that overlap.

C. Shift Differential

1. The evening tour of duty shall mean the shift commencing at 3:00 P.M. and ending at 11:00 P.M. or commencing at 4:00 P.M. and ending 12:00 midnight. The night tour of duty shall mean the shift commencing at 11:00 P.M. and ending at 7:00 A.M. or commencing at 12:00 midnight and ending at 8:00 A.M.
2. All MBUs, who are permanently assigned to work sixteen (16) or more hours of a forty (40) hour work week or fourteen (14) or more hours of a thirty-five (35) hour week during the "evening tour of duty" or during the "night tour of duty," shall receive shift differential at the rate provided for in Paragraph (7).
3. Any full-time MBU, who is assigned to work during the "evening tour of duty" or the "night tour of duty" for less than sixteen (16) hours or fourteen (14) hours, shall be compensated for the hours actually worked at the rate of shift differential provided in Paragraph (7).

Nothing herein is in any way intended to extend the statutory jurisdiction of the Personnel Appeal Board.

The State is in the process of developing an electronic on-line system to file, process, schedule and track grievances. At such time as the State is prepared to test the new system, the State will notify the Union for the Union's review, comments, and testing prior to implementation. The State will use reasonable efforts to accommodate suggestions/requests from the Unions. When the system becomes operational, the Union will fully cooperate with the use thereof to include

However, the State may be entitled to require verification from the MBU regarding the illness of a member of their immediate family of the necessity of attendance for doctor(s) visits; and the MBU may use up to, but not in excess of twenty (20) working days in any calendar year, for the purpose of attending a member of the immediate family who is ill or their attending necessary doctor(s) appointments. The definition of immediate family shall include domestic partners of the same or opposite sex who have lived in the same household for at least six (6) months and have made a commitment to continue to live as a family.
 - (a) For each discharge of leave of three (3) to less than five (5) consecutive days, the MBU 's appointing authority shall require, and the worker shall

- (b) provide, a properly completed Employee Certification of Necessary Absence Form (Affidavit) as provided by the Division of Human Resources.
 - (c) For each discharge of leave of five (5) or more consecutive days, the MBU's appointing authority shall require, and the MBU shall provide properly completed MBU and physician portions of the appropriate United States Department of Labor form (currently WH-380- E, WH-380-F, WH-384 or WH-385) as provided by the Division of Human Resources. For purposes of verification, the form may be completed by the MBU's health care provider, whether that provider is a physician or other licensed health care provider so long as he or she is authorized by law to diagnose an ailment or injury and prescribe medication to treat that condition.
 - (d) In order for the appointing authority to designate an absence as FMLA qualifying leave, the MBU must provide the appropriate federal form referenced in (b).
 - (e) Nothing herein exempts the MBU 's obligation to comply with the employing agency's procedure for the need for such leave and obtaining prior authorization as required.
 - (f) Notwithstanding the above, the appointing authority, upon reasonable suspicion of leave abuse, may request a properly completed form (as referenced in (b) for any and all paid or unpaid absences for medical reasons regardless of the duration and the MBU will be required to provide such documentation.
 - (g) To protect MBU privacy rights, all documents containing confidential medical information are maintained as confidential medical records and are kept in separate, secure medical files in the Human Resources Service Center office. Access to these records is restricted as provided by law.
 - (h) Nothing herein shall adversely affect an MBU 's right to leave under either State or Federal leave laws. All absences due to qualifying medical reasons shall count towards an eligible MBU 's leave under such laws.
 - (i) Nothing herein shall be construed to conflict with G.L. 1956 § 36-4-63.
2. MBU's whose basic work week is thirty-five (35) hours or in the thirty-five (35) hour non-standard category shall accrue four (4) hours for each bi-weekly period of service; MBU's whose basic work week is forty (40) hours or in the forty (40) hour non-standard category shall accrue five (5) hours for each bi- weekly period of service.
3. When the total _accumulation shall amount to eight hundred seventy-five (875) hours (one hundred twenty-seven [127] days) for an MBU assigned to, a thirty-five (35) hour schedule or a thirty-five (35) hour non-standard schedule, and one thousand hours (1000) (one hundred twenty-seven [127] days) for an MBU assigned to a forty (40) hour work schedule, or a forty (40) hour non- standard schedule, no further credit shall accrue until

the total shall have been reduced to less than the maximum.

4. When the service of an MBU shall be terminated by retirement (mandatory, voluntary, or involuntary), or death, such MBU or their estate shall be entitled to receive full pay for each hour of accrued sick leave to their credit as of the date of termination according to the following formula:

A thirty-five (35) hour a week MBU or a thirty-five (35) hour non-standard MBU shall be entitled to receive full pay for fifty percent (50%) of all accrued sick leave over three hundred ninety (390) hours up to and including six hundred thirty (630) hours and seventy-five percent (75%) pay for all accrued sick leave over six hundred thirty (630) hours up to and including eight hundred seventy-five (875) hours. A forty (40) hour a week MBU or a forty (40) hour non-standard MBU shall be entitled to receive full pay for fifty percent (50%) of all accrued sick leave over four hundred sixty-eight (468) hours up to and including seven hundred twenty (720) hours and seventy-five percent (75%) pay for all sick leave over seven hundred twenty (720) hours up to and including one thousand (1000) hours.

5. If the MBU becomes ill while on vacation, vacation leave will be changed to available sick leave accumulation, providing the MBU shall furnish to the State a physician's certificate attesting to the illness of the MBU during the time in question.
6. Whenever an MBU shall be absent from their duties and receiving compensation as provided in the Workers' Compensation Laws, they shall be granted sick leave in accordance with the rules applicable thereto in an amount not to exceed their regular compensation. Deductions from accumulated credits shall be applied only to that part of their salary which is paid as an addition to Workers' Compensation payments, and the total of the two (2) shall not exceed the regular salary range for a given pay period. Annual leave credits may be applied in the same manner. When such absence shall not be covered by sick leave or annual leave, it shall be deemed to be leave without pay. Provided, however, that it shall be determined during the Workers' Compensation proceedings that the injury resulted from a physical assault arising out of the regular course of employment, the MBU's leave shall not be reduced for the first twenty-six (26) weeks of disability arising from such an assault. During the twenty-seventh (27th) week and thereafter for the duration of the MBU's disability, deductions from accumulated credit shall be applied as indicated above
7. Any MBU whose employment requires exposure to x-rays, radiation, or other harmful substances shall be granted special sick leave credits not to exceed one hundred and five (105) hours in a calendar year if they have a thirty-five (35) hour or non-standard MBU, or one hundred twenty (120) hours if there is a forty (40) hour MBU or a forty (40) hour non-standard MBU. Such sick leave credits shall be available and sick leave granted upon the approval by the Personnel Administrator of the written recommendation of the appointing authority. Such recommendation shall be based upon a determination by blood tests or other approved method and supported by a statement from a qualified physician that the health of the MBU required such sick leave to permit recuperation from exposure to such occupational hazard.

8. All MBU's shall receive a quarterly report of their accrued sick and vacation leaves.
9. Consistent with the provision of the Collective Bargaining Agreement, the parties recognize the desirability of temporary light duty assignments as a means of returning injured workers to productive employment and to facilitate the MBU's return to full duty in their assignment.

The State in agreement with the Union may identify transitional employment for injured MBU's, including those with work or non-work related injuries, and those with occupational disease as set forth in R.I. Gen. Laws § 28-34-1, whose medical restrictions prevent or limit performance of full job duties and responsibilities within the following parameters:

Based upon definitive medical verification of the MBU's restrictions, the State may modify the MBU's assignment, including job functions, tasks, hours, shift and/or work location, to provide transitional employment which will not exceed the MBU's restrictions.

If no transitional employment is available in the MBU's classification, the MBU may be offered temporary work outside their classification with the agreement of the (local) Union.

Transitional assignments shall be reviewed on a regular basis. The review interval shall be agreed upon by the State, the Union, and the MBU. The transitional employment period shall not exceed six (6) months unless extended by mutual agreement of the State, the Union, and the MBU contingent upon supporting medical documentation.

If the MBU cannot return to their classification and/or assignment based upon medical verification, the State may offer them education, training, or other programs to assist the MBU to obtain other employment opportunities in accordance with the Collective Bargaining Agreement and the Merit System Law.

No MBU working in a transitional assignment will displace any bargaining unit member while participating in transition employment.

E. Personal Days:

Each member of the bargaining unit shall be entitled to four (4) days of personal leave with pay, per calendar year, to attend to personal business or religious observance. The State shall not require a member to give reason as a condition of approval to use of such personal leave, provided, however, that notice of such leave will be provided to the immediate supervisor. MBU's newly appointed between January 1 and March 30, shall be entitled to four (4) personal leave days as provided in this Article. MBU's newly appointed between April 1 and June 30 shall be entitled to three (3) personal leave days as

provided in this Article. MBU's newly appointed between July 1 and September 30, shall be entitled to two (2) personal days as provided in this Article. MBU's newly appointed between October 1 and December 31, shall be entitled to one (1) personal leave day as provided in this Article.

F. Sick Leave Bank:

The State and the Union agree to establish a Sick Leave Bank Committee who shall be responsible to administer a Sick Leave Bank in each bargaining unit covered by the Agreement. A separate sick leave bank may be established in a particular department by mutual Agreement. Those sick leave bank agreements that were in existence for individuals as of January 26, 2001, shall remain in existence until exhausted.

The Sick Leave Bank Committee shall be composed of six members, three (3) of whom shall be appointed by the President of the Union and three (3) by the State. The Sick Leave Bank Committee shall establish the rules and procedures to be used by MBU's who have contributed to the Sick Leave Bank. Decisions of the Sick Leave Bank Committee to grant sick leave bank days shall be by majority vote, shall be final and shall not be subject to the grievance and arbitration provisions of the contract. If the Committee cannot reach a majority vote, the Committee will continue to meet and vote until a majority vote is taken either granting or denying the request for donated sick leave.

The following provisions must be included in the rules and procedures adopted by the Sick Leave Bank Committee:

1. The Committee must review the sick leave utilization of any member of the Sick Leave Bank who applies for sick leave from the bank. Sick leave will not be granted to an applicant with evidence of prior sick leave abuse in his or her personnel file or attendance record. Prior utilization of sick leave does not by itself indicate sick leave abuse.
2. The Committee must require adequate evidence of catastrophic illness or injury, which is not job-related, of an MBU only (not any family member).
3. The maximum amount of sick leave that the Committee may grant shall be 480 hours per MBU assigned to a forty (40) hour work week and 420 hours per MBU assigned to a thirty-five (35) hour work week. Hours granted shall not exceed the total hours available in the Bank.
4. MBU's may make contributions to the Sick Leave Bank on an "as needed" basis in order to meet the needs of the Sick Leave Bank and to eliminate the loss of unused donated time at the end of the calendar year. MBU's must make contributions to the Sick Leave Bank on January 2 of each calendar year unless another date is determined by the Committee. Any MBU who does not make a contribution to the Bank shall not be eligible to apply to the Bank for any sick leave.
5. MBU's who wish to be eligible to apply to the Bank for sick leave shall contribute

eight (8) hours of sick leave if assigned to a forty (40) hour work week and seven hours of sick leave if assigned to a thirty-five (35) hour work week.

6. A-MBU who applies to the Sick Leave Bank must have used all available accrued and accumulated leave including vacation and personal leave.
7. All sick leave hours accrued while discharging sick leave hours granted by the sick leave bank committee must be discharged prior to discharging available sick leave bank hours.
8. Part-time MBU's may participate on a pro-rated basis.

If during the calendar year the Sick Leave Bank falls below three fifty (350) hours, the Sick Leave Bank Committee may solicit additional contributions of one additional day (8 hours or 7 hours) from those MBU's who made a contribution on January 2 of that calendar year unless another date is determined by the Committee.

G. SICK LEAVE COMMITTEE

The State and the Union agree to establish a committee to study the feasibility of alternatives and options to the existing sick leave benefit structure. The committee shall consist of up to three members appointed by the State and three members appointed by the Coalition. The committee will meet on a bi-monthly basis. The committee will discuss alternatives to the existing sick leave policies and structure and alternatives such as group short term disability insurance.

H. Leave for Professional Development

MBU's who have served at least two (2) years full-time may be granted short-term leaves of absence to pursue professional development at workshops, seminars and conventions which are related to the performance of the MBU's duties and responsibilities or to those performed in other positions at the college. This leave shall be granted at regular pay and the recipient upon the termination of the leave shall return to their duties at the College. Application for such leave shall be made through the immediate supervisor to the Associate Vice President for Administration for approval six (6) weeks prior to the date for which the leave is requested. In certain circumstances, shorter notice for such leave may be considered.

I. Sabbatical Leave

MBU's shall be eligible for sabbatical leave which s/he may take with the approval of the President for the purpose of advanced study, independent research or pursuance of a higher academic degree (post-baccalaureate) at the completion of six (6) years of employment. An application for sabbatical leave which requires budgeted funds shall be submitted at least twelve (12) months preceding the date on which the leave is to commence. A committee composed of two (2) people appointed by the College President and two (2) appointed by the ESPA President shall consider all requests for sabbatical leaves and shall rank all applications and forward a recommendation to the appropriate Vice President and the President of the College with respect to said requests. If the total number of sabbatical leaves approved by the President

of the College to commence in a given fiscal year is two (2) or more, then the decisions of the President of the College with respect to the granting or denial of all sabbatical leave requests shall be final.

As soon as decisions are made regarding sabbatical leaves, the Administration shall furnish the Association with a list of those receiving sabbatical leave, and those denied sabbatical leave. For those whom replacement positions have been provided, notice to the Association will be given as soon as the decision has been made. A MBU on sabbatical leave shall receive for a period of one (1) year half pay, or for a period of six (6) months, full pay, with the understanding that s/he return to their duties for at least one (1) year upon termination of the leave, unless by mutual agreement between the MBU and the President, it is deemed inadvisable. Upon completion of a Sabbatical Leave, the returning MBU will not be eligible for another Sabbatical Leave for six (6) years.

Upon their return from sabbatical leave, a MBU 's salary shall be the same as they would have received had the period of their leave been spent in the service of the college and s/he shall be returned to the same level which they held at the time said leave commenced if it exists, or if not, a substantially equivalent level.

A sabbatical leave of absence may be extended without pay or increment for one (1) additional year.

J. Study Leave

A staff member who has served as such for at least three (3) years may, upon written approval of the President, be granted leave of absence for the purpose of pursuing a course of study (including Certificate, Associates Degree, and Bachelor's Degree) for a period of either six (6) months or one (1) year. Such staff member may apply for one-half (1/2) pay for the six (6) month period or one-quarter (1/4) pay for one (1) year period. The staff member shall agree in writing to return to the Department of the College which he or she left for a period of one (1) year upon the termination of his or her leave, unless by mutual agreement between the staff member and the President, it is deemed inadvisable. Upon completion of a Study Leave, the returning MBU will not be eligible for another Study Leave for three (3) years.

A: MBU, on applying for study leave, shall present to the appropriate Vice President or Executive Officers a comprehensive plan for study, research, or other professional improvement they propose to take while on leave, which must be approved by the Vice President or Executive Officer and the President before the request for leave is granted. An application for study leave shall be made to the appropriate Executive Officer at least six (6) months preceding the date on which the leave is to commence.

A committee composed of two (2) people appointed by the College President and two (2) appointed by the ESPA President shall consider all requests for study leaves and shall rank all applications and forward a recommendation to the appropriate Vice President and President with respect to said request. If the total number of study leaves approved by the President of the College to commence in a given fiscal year is two (2) or more, then the decisions of the President of the College with respect to the granting or denial of all study leave requests shall be final.

ARTICLE XIX
PROBATIONARY MBU's AND DUE PROCESS

A. Probationary MBU's

1. All original appointments and promotional appointments shall be considered as probationary MBU's for the first one hundred thirty (130) days worked of their continuous employment and shall serve at the pleasure of the College.

Any promotional appointee who is dismissed from the position to which they were promoted during the probationary period or at the conclusion thereof shall be restored to their former position.

2. During this probationary period, the MBU will be evaluated by the MBU's immediate supervisor every two (2) months. The MBU and the supervisor shall discuss the MBU's performance and shall be notified in writing of the evaluation after each evaluation is made, and if appropriate, the supervisor shall offer constructive criticism to enable the MBU to improve their performance. In no case shall any evaluation of an MBU be based on hearsay. Evaluation reports will be placed in the MBU's personnel file. The MBU shall have the right to attach appropriate comments to any evaluation.
3. At the end of the probationary period, a decision will be made whether to retain or terminate the MBU. If the MBU is not notified, in writing, that their services are not satisfactory, or that their continued employment is not desired at the expiration of the probationary period, then s/he shall be continued in their employment. Any MBU may be dismissed by the College during the probationary period for reasons relating to the MBU's lack of qualifications or for the good of the service. Such dismissal shall be in writing with a copy sent to the MBU and the Union President.
4. The Union recognizes and agrees that the State has the right to perform personnel performance reviews.

B. Counseling

As a general matter, the parties agree that, where appropriate, it is a good practice to engage in counseling prior to entering into the discipline process.

C. Due Process

1. Disciplinary action may be imposed upon an MBU only for just cause. Any disciplinary action imposed upon a MBU may be processed as a grievance through the regular grievance procedure as outlined in Article 12. If the appointing authority has reason to discipline a MBU, it shall be done in a manner that will not embarrass the MBU before other MBU's or the public. Initial minor infractions, irregularities, or deficiencies shall be privately brought to the attention of the MBU. After a period of two (2) years for a written reprimand and one (1) year for an oral reprimand, if the MBU has not committed any further infractions of appropriate rules and regulations, the written reprimand and written notations of oral reprimands shall be expunged from the MBU's personnel records. Each MBU shall be furnished with a copy of all performance evaluations or disciplinary entry in their personnel record and shall be permitted to respond thereto. The contents of a MBU's personnel record shall be disclosed to the MBU's union representative only with the written consent of the MBU. Where appropriate, disciplinary action or measures shall include only the following:

- a. Oral Reprimand
- b. Written Reprimand
- c. Suspension
- d. Discharge
- e. Demotion where appropriate

After a period of four (4) years, if the MBU has not committed any further infractions of appropriate rules and regulations, suspensions of five (5) days or less will be automatically removed from the MBU 's personnel records. The preceding sentence shall apply to suspensions of five (5) days or less issued prior to and after the ratification of the agreement.

When any disciplinary action is to be implemented, the Appointing Authority shall before such action is taken, notify the MBU and the Union in writing of the specific reasons for such action.

- 2. If the Appointing Authority decides to demote, suspend or terminate a MBU, the MBU and Union President shall receive two (2) weeks' notice in writing. In the event that circumstances warrant, the Appointing Authority shall not be required to give the MBU two (2) weeks' notice for termination.
- 3. The Appointing Authority shall not discipline a MBU without just cause. Within two (2) weeks of a suspension or discharge, the Union may file a grievance with the State Labor Relations Administrator as set forth in Article 12, and such hearing shall be held no later than three (3) days after the Union's request.
- 4. In the event that the MBU is dismissed, demoted or suspended under this Section, and such MBU appeals such action, and their appeal is sustained, they shall be restored to their former position and compensated at their regular rate for any time lost during the period of such dismissal, demotion or suspension.
- 5. An MBU may be granted a demotion, upon request, when recommended by the Appointing Authority and approved by the Personnel Administrator. In this instance their current status shall be transferred to the lower class.
- 6. An Arbitrator shall be empowered to change the disciplinary action if they determine the action taken was not warranted under the circumstances.

**ARTICLE XX
PERSONNEL
FILES**

- A. A MBU shall, upon request during normal business hours, be permitted to examine their personnel file; provided, however, that any letters of recommendation solicited in connection with their initial employment shall not be available to that MBU. The MBU shall have the right to reproduce any document in the MBU 's personnel file.
- B. An MBU and Union President shall be given a copy of any material if it is to be used in

connection with a grievance or a personnel hearing.

- C. No derogatory material shall be placed in the MBU 's personnel file unless the MBU has an opportunity to read the material and an opportunity to sign and date the material indicating the MBU has read the material. Such signature merely signifies that the MBU has read the material to be filed and does not necessarily indicate agreement with the contents.
- D. No anonymous material shall be placed in the MBU 's personnel file. Materials shown to be false or unsubstantiated shall be removed from the MBU 's personnel file. The Personnel Office shall be responsible for notifying in writing any persons or organization to which it may have forwarded false information.
- E. A designated member of the Association, having written authorization from the MBU concerned and in the presence of a representative of the Community College Administration, may examine the official personnel file of that MBU if the examination relates to a filed grievance, a grievance in preparation, or written charge(s) preferred against the MBU of the Community College.
- F. There shall be only one (1) official file kept in the College Personnel Office. The College Personnel Office shall make files available at other campuses of the College for review by MBU's who so request them. Such files shall be made available by appointment.
- G. The MBU shall have the right to answer any material filed, and the MBU 's answer shall be attached to the copy in their personnel file.

**ARTICLE XXI
LEGAL
DEFENSE**

The State agrees to provide legal defense for and to hold harmless the MBU's who are defendants in civil litigation arising from their conduct on behalf of the State. Provided, however, that their provision shall apply only in the cases in which the MBU is being sued for errors or mistakes in intellectual judgment or analysis and shall not apply to physical acts of the MBU's, except in reasonable self-defense.

**ARTICLE XXII
SEVERABILITY CLAUSE**

Should any part of this Agreement be rendered or declared invalid by a court of competent jurisdiction of the State of Rhode Island, such invalidation of such part or portion of this Agreement should not invalidate the remaining portions thereof, and they shall remain in full force and effect.

It is further agreed that if part of the Agreement is determined invalid, either party may open negotiations solely with respect to a substitute for such Article, Section, or portion, within

two (2) weeks after a ruling has been made.

**ARTICLE XXIII
ALTERATION OF AGREEMENT**

- A. It is hereby agreed that any alteration or modification of this Agreement shall be binding upon the parties only if agreed to in writing by both parties.
- B. The waiver of any condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all terms and conditions herein.

**ARTICLE XXIV
INCLEMENT WEATHER EMERGENCIES**

In the event that the Governor or designee determines that an emergency situation exists and as a result makes a public declaration that an emergency exists or that State offices are closed, the following provisions shall apply:

- 1. The Department of Administration shall determine the designated starting time of the emergency.
- 2. MBU's who are either allowed to leave their work place early or are excused from traveling to work shall be allowed to discharge vacation leave, personal leave or sick leave. AMBU who elects to discharge sick leave may discharge up to a maximum of two (2) sick days per calendar year for such events.
- 3. -MBU's who are required to remain at their place of work or to travel to work shall be compensated at the rate of time and one half for each hour worked commencing at the designated starting time of the emergency as determined by the Department of Administration.

**ARTICLE XXV
TESTING**

MBU's who have previously been admitted to an examination, shall upon reapplication, be admitted to said examination. The MBU shall fill out a new application as if it were an application for the initial examination.

**ARTICLE XXVI
STUDY GROUP**

The parties agree to the formation of a statewide joint labor and management Study Group to work cooperatively to identify and recommend areas of potential savings in State Government, including but not limited to the use of contracted services. Three members shall be appointed by the State and three members shall be appointed by and on behalf of all the Unions representing State MBU's. The Director of Administration (or his designee) shall preside over the meetings. This committee shall be formed within thirty days after the signing of this agreement.

ARTICLE XXVII

LETTER OF UNDERSTANDING³

College Police Department

In conjunction with the 07/01/2017 - 06/30/2020 Collective Bargaining Agreement, with respect to College Police Officer(s), Campus Patrol Person(s) [hereinafter, Officers] and College Police Lieutenant(s) [hereinafter, Lieutenants], the parties agree to the following:

Article IX (Overtime, Shift Differential and Call in Time), Section A: Calling of Overtime

1. Officer's Overtime Shifts

Overtime shall be defined as both shift coverage (compensated by the CCRI College Police Department) and detail shifts (not originally compensated by the CCRI College Police Department).

For the shifts that fall on Christmas Eve, Christmas Day, New Year's Eve, New Year's Day, Easter, and Thanksgiving, if at a given Step no officer is willing to work an eight (8) hour shift, that eight (8) hour shift may be offered and filled with two (2), four (4) hour shifts.

Overtime will be offered as follows:

Step One: Officer's overtime shifts shall first be offered to Officers on the basis of primary seniority at the campus at which they are employed on a rotating basis.

Step Two: Should the process indicated in Step One fail to generate a sufficient number of Officers from the campus at which they are employed to staff the detail overtime, the College shall then offer the detail overtime to Officers at all other campuses, by seniority and on a rotating basis.

Step Three: Should the process indicated in Step Two fail to generate a sufficient number of Officers to staff the detail overtime, the College shall then offer the detail overtime to Lieutenants based at the campus where the detail overtime was generated. The offer shall be made by seniority and on a rotating basis.

Step Four: Should the process indicated in Step Three fail to generate a sufficient number of Lieutenants from the campus where the detail overtime was generated, the College shall then offer the detail overtime to Lieutenants at all other campuses. The offer shall be made by seniority and on a rotating basis.

Step Five: Should the process indicated in Step Four fail to generate a sufficient number of Lieutenants to staff the detail overtime, the College shall be entitled to require (force-in) the most junior Officer, at the campus from which the detail overtime work

originated, to perform the work. Such force-ins shall be made on a rotating basis, per past practice, beginning with the most junior Officer. Anytime Campus Police Officer or Campus Patrol Person is forced in, they will be compensated time and one half for all hours worked. Officers scheduled to begin pre-approved vacation or a pre-approved personal day, may not be assigned forced overtime. In the event of a violation, the officer will receive double time and one half.

Step Six: Should the process indicated in Step Five fail to generate a junior Officer to perform the work at the campus from which the detail overtime work was generated due to the unavailability of the Officers assigned to that campus based upon preapproved vacation(s), sick leave, injury leave or because the Officer who would be assigned would be required to work in excess of sixteen (16) consecutive hours, the College shall be entitled to require (force-in) the most junior Officer from the other campuses to perform the work. Such force-ins shall be made on a rotating basis, beginning with the most junior Officer and shall be made through all officers in the bargaining unit. Any officer who is not available or skipped shall remain at the top of the list.

Preapproved vacations in this provision shall mean those vacations approved prior to the occurrence of injury leave or sick leave. If vacations are approved subsequent to the occurrence of injury leave or sick leave which the College knows or should know would result in a shortage of staffing, resorting to Step Six is prohibited.

The College shall notify the CCRI ESPA President prior to implementing Step Six.

1. Seniority throughout this agreement refers to primary seniority within the ESPA Union.
2. Except as modified by this Agreement, pertaining to the College Police Department, the terms of the Collective Bargaining Agreement shall remain unchanged and shall not set precedence regarding overtime generated for any other department within the College that employs MBU's.

LETTER OF UNDERSTANDING

Tuition Waiver

For the duration of the current Agreement between the State, CCRI, and ESPA/NEARI, Tuition waiver is applicable only to full-time, classified MBU's ("eligible MBU's "). Waiver of fees shall be limited strictly to tuition. The individual must pay for all other fees, books, supplies, travel, and other expenses.

Tuition waiver only applies to institutions under the jurisdiction of the Council on Postsecondary Education. This waiver applies to the MBU 's spouse or domestic partner, as defined in RIGL § 36-12-1, and dependent children, as defined herein, who are pursuing courses in a regular study program for credit at the first baccalaureate level only. This limitation of eligibility (pursuing courses in a regular study program for credit at the first baccalaureate level only) shall not apply to the MBU.

For purposes of this policy, "dependent children" is intended to refer to a child, as defined in Internal Revenue Code §§ 117(d), 132(h), and 152(f)(1), of the eligible MBU:

- for whom the eligible MBU is entitled to claim and does claim a dependency deduction on their federal personal income tax return under Internal Revenue Code Section 152; or
- who is described in Section 152(e) (e.g. whose parents are divorced, legally separated, or live apart; who receives at least ½ of his or her support from one or both parents; and who lives at least half time with one or both parents), even if the eligible MBU is not the custodial parent and/or does not claim the child on his or her tax return;

MBU's who seek a tuition waiver for such dependent children must execute a Dependency Affidavit in the form approved by the Council.

In the event of a MBU 's death, the tuition waiver benefit shall be provided for those spouses or domestic partners, as defined in RIGL § 36-12-1, and dependent children, as defined below, who have been accepted or are enrolled at the time of such death and who maintain continues enrollment.

However, pursuant to RIGL § 16-97-7, no eligible employee of the Council on Postsecondary Education, his or her spouse, domestic partner, or dependent children, shall receive a tuition waiver as a result of employment status with the Council on Postsecondary Education, without first consenting to the public disclosure of the existence and amount of the waiver. This applies to any waiver at the Community College of Rhode Island, Rhode Island College, and/or the University of Rhode Island.

If a MBU is an otherwise "eligible employee" but is on leave without pay as of the first day of class, neither the MBU nor his or her spouse or domestic partner, as defined in RIGL § 36-12-1, or dependent children are eligible for tuition waiver unless specifically recommended by the institution president or the Commissioner of Postsecondary Education and

approved by the Council on Postsecondary Education at a public meeting. In an emergency situation, where such a determination is needed between scheduled Council meetings, the Commissioner may make a determination and notify the Council at their next scheduled meeting. However, no such approval will be granted for a MBU who is employed by an entity that is outside of the jurisdiction of the Council of Postsecondary Education as of the first day of class, regardless of whether such MBU is on leave without pay at that time.

Tuition waivers are not applicable to non-credit courses.
