

AGENDA/MINUTES for NEASC Standard 7

November 20, 2012

2-4 PM

Rm. 1214, Lincoln Campus

Members Present: Kathleen Beauchene, MaryAdele Combe, Jim Glickman, Jennifer Hurrell, AnnMarie McMahon, Leigh Martin, Jim Salisbury, Marla Wallace

Given the December 3rd deadline for a draft of Description/Appraisal, this meeting was designed as a workshop. Those charged with writing a particular sub-paragraph were encouraged to stop in for discussion, clarification, and commentary on their draft.

Members also reviewed previous NEASC Self-Study documents made available by VP Morgan. Comparing those Standard 7 sections to our own provided guidance about evidence and structure.

Drafts are due to our NEASC Group site in MyCCRI by Nov. 27th so that they can be compiled and formatted for submission on 12-3.
