Student ID Number: _____

(TO BE SIGNED IN THE PRESENCE OF AN AUTHORIZED CCRI OFFICIAL)

Your FAFSA application indicates that you must provide an Identity and Statement of Educational Purpose documentation. In order to process your 2024-2025 financial aid application, our office needs this document before we can determine your eligibility for financial assistance.

The student must appear in person at one of the Community College of Rhode Island campuses to verify their identity by:

- Presenting an unexpired valid government-issued photo identification (ID), such as, but not limited to, a driver's license, other state-issued ID, or passport. CCRI will maintain a copy of the student's photo ID that is annotated by CCRI with the date it was received and reviewed, and the name of the CCRI official authorized to receive and review the student's ID.
- In addition, the student must sign, in the presence of the institutional official, the Statement of Educational Purpose provided below.
- *Please note* that presenting an ID with an address that does not match what CCRI has on file may result in a verification of address. *Please see the backside of this form for examples of acceptable documents.*
