UNDERSTANDING FAFSA CONTRIBUTORS

A contributor refers to anyone who is required to provide information on your FAFSA.

- Includes the student (you), your spouse, a biological or adoptive parent, or the parent's spouse
- Does NOT imply responsibility for your college costs
- Contributors will need to provide personal and financial information on their section of the FAFSA
- **All contributors must consent to have their tax data transferred directly from the IRS to the FAFSA.** If consent is not provided by all required parties, the student will not be eligible for federal financial aid. Transferring IRS data is no longer optional.

What you'll need to invite a contributor to your FAFSA:

- The contributor's name, date of birth, social security number (SSN), and email address

TOP TIPS:

- Submit your FAFSA by **May 1, 2025** for the Fall 2025, Spring 2026 and Summer 2026 semesters. You may complete your form after May 1, but earlier applicants will have their financial aid finalized in time for the billing due date.
- **Reminder:** If you are still enrolling for the Fall 2024, Spring 2025 and/or Summer 2025 semesters, you need to fill out the 2024-25 FAFSA. The 2025-26 FAFSA is reserved for Fall 2025, Spring 2026 and Summer 2026 applicants only.
- You must submit your FAFSA every academic year!
- Join a **FREE FAFSA** workshop for one-on-one assistance virtually or in-person.
