## New Student Group Recognition

### Student Group Name:

To apply for recognition, a group must:

1. Have a purpose and identity that is not duplicative of other groups on that campus. Groups that wish to establish a presence on a campus that is similar or identical to that of a group on a different campus must work with that group as part of the application process.
2. Secure the commitment of a full-time faculty member or staff member who agrees to serve as the group's adviser, observe and enforce college policies and procedures and to participate in regular adviser training.
3. Establish the group's initial leadership, minimally a president and treasurer, who have the minimum student leader required GPA of 2.5 and who are not on academic or disciplinary probation.
  - Submit names and CCRI ID# for all officers to the Office of Student Life.
4. Compile a roster of at least eight (8) additional students who are committed to being members of the group for a total of ten (10) founding members.
5. Develop a constitution for your group using the templates available from the Office of Student Life and submit for review.
6. Once all of the above is complete, petition your campus Student Senate for its support.
