

**Learning Outcomes for Piano I MUSC1140**

**Upon completing this course, student should be able to accomplish the following:**

- Play all major scales, two octaves, hands together. Performed with the metronome at 144 for the quarter note. If this presents great difficulty, then the minimum metronome setting should be at a minimum set to 120.
- Play chord progressions in all keys, with pedal, primary triads.
- Perform a memorized piece.
- Perform several other pieces learned and completed from the Piano Lab book
- Play selections with Pop chords, simple harmonizations with simple accompaniments.
- Perform ensemble pieces with other members of the class.
- demonstrate a basic understanding of piano-related issues, including standard scale fingerings, practice methods, dealing with stage fright, and performing artists in the field
- complete portions of the Piano Proficiency by the end of the semester.
