

## PIANO CLASS 2

**MUSIC1145 2 credit hours Lecture/studio**

**LEARNING OUTCOMES for Piano II, MUSC 1145:**

**Student Learning Outcomes: Upon completion of this course, students should be able to**

- **Play all major scales, two octaves, hands together, performed with the metronome at 144 for the quarter note.**
- **Play chord progressions in all keys, with pedal, primary triads.**
- **Perform a memorized piece, advancing the difficulty from Piano I class.**
- **Sight-read simple pieces.**
- **Harmonize and accompany to pass those portions of the piano proficiency.**
- **Perform ensemble pieces with other members of the class.**
- **Demonstrate a basic understanding of piano-related issues, by reading and reviewing journal articles.**
- **Identify the terms for Nomenclature, as identified in the Piano Proficiency packet.**
- **Complete portions of the Piano Proficiency by the end of the semester, especially Two Patriotic Pieces, all scales and chords up to tempo and a memorized recital piece of a contrasting style from Piano I as a minimum requirement.**
