

## MUSC1200 Chamber Ensemble

**Course outcomes:** Recognizing that music is an art that is continually honed and developed, students will

- Progress in reading skills on their instrument
- Progress in musicianship skills: phrasing, dynamics, articulation, tone, pitch, and rhythm
- Play different styles and periods of music with appropriate interpretation and tone
- Progress in ensemble skills: blend, teamwork, professional deportment, and personal responsibility as a group member
- Fulfill ensemble requirements for transfer to a Bachelor of Music/Music Education degree
