

Student Success Center Faculty Recommendation Form for Peer Tutoring

Please Use One Form per Course

TO BE FILLED OUT BY STUDENT

List the course for which you are seeking to become a tutor. You may tutor multiple courses, but each course requires a separate Faculty Recommendation Form. Ask your instructor to complete this form. If the instructor is no longer affiliated with CCRI or you are unable to contact the professor, please contact the chairperson of department that offers the course and have the chairperson complete the form. The instructor or chairperson will return the form to the Student Success Center.

TO BE FILLED OUT BY FACULTY

This student is interested in serving as a peer tutor for the Student Success Center for the course listed above. The student has indicated that you served as the instructor for this course. Please consider the following requirements for peer tutoring before you decide to recommend or not recommend the student to work as a peer tutor for the course listed above.

- Completion of the course and grade of at least a "B"
- Current enrollment or registration as a CCRI student, with at least 6 credits
- Good interpersonal communication skills and ease in relating to people from varying educational, cultural, and social backgrounds

I RECOMMEND

This job applicant to serve as a tutor for the course listed on this form. The student has demonstrated competency in this area and has the ability to assist another student in learning this subject and/or developing this skill. The student has earned a minimum of a "B" in this course.
