## **Advanced Placement - Electrical/Plumbing Apprenticeship**

Students who are NEW to CCRI's Electrical or Plumbing Program and/or have completed hours elsewhere and are looking to register for Advanced Placement:

Before you can register, you will need to submit documentation that shows what you have completed and where you have completed it.

This documentation must be submitted to BOTH, Sherri Scalzo of DLT and Donna Costa of CCRI for review via US mail or e-mail to determine the level for which you may be eligible to register.
